ATTENTION HOME OWNERS

Home improvement means some addition to your home or property that adds to its value in appearance, comfort, or saleability. This can include basement rooms, attic rooms, addition to the present building, garages, fences, or kitchen and bathroom modernization.

We have an attractive monthly budget plan that is becoming increasingly popular. Payments may start as late as April 30th on improvements done now and spread over a period suited to your income. These payments include all materials, labor, cement work, electrical work, plumbing, plastering, etc., in fact a complete job in one package. We can recommend reliable contractors for any type of work. Phone or call in for free estimates and suitable credit arrangements.

TV TALK

The first three-hour, two-part live play in the history of television in North America will be broadcast March 12 and 19 on Playhouse 90, to be seen over Channels 7 and 12.

Ernest Hemingway's novel, For Whom The Bell Tolls, has been adapted for the experiment. A similar arrangement has been in operation for some time over Channel 5 at 9.30 a.m. when first and second halves of long movies (but not three hours) are shown on consecutive days.

The Playhouse 90 show will be split by a full week's lapse. It will be interesting to see how it is handled.

Eli Wallach, well-known for his movie and television performances, has been signed to play the part of Rafael, one of the gypsies in the guerilla band.

Other stars include Maria Schell, Jason Robards, Jr., and Maureen Stapleton.
